

RESOLUTION OF THE  
WHITE MOUNTAIN APACHE TRIBE OF THE  
FORT APACHE INDIAN RESERVATION

WHEREAS, Margaret Holman Bodine appeared before the Tribal Council with a proposal for a research of the cradleboarding practices on the Fort Apache Indian Reservation, and

WHEREAS, Mrs. Bodine is a graduate Physical Therapist formerly employed by the Cripple Children's Hospital, and

WHEREAS, Mrs. Bodine is now a graduate student in the Department of Anthropology, Arizona State University, and

WHEREAS, Mrs. Bodine's study will be cordinated with Indian Health, Public Health Service and has been recommended by Service Unit Director, Dr. Robert Jochim and Dr. Fife.

BE IT RESOLVED that Mrs. Margaret Holman Bodine is hereby granted permission to make a study of the cradleboarding practices and determine if there is any relation to cradleboarding practices on the Fort Apache Indian Reservation among the White Mountain Apaches related to congenital deformity of the hip.

BE IT FURTHER RESOLVED that Mrs. Bodine is to complete, within one year, and present to the Tribal Council, a copy of her report along with recommendations or conclusions related thereto.

The foregoing resolution was on November 6, 1968 duly adopted by a vote of 10 for and 0 against by the Tribal Council of the White Mountain Apache Tribe, pursuant to authority vested in it by Article V, Section 1 (b) of the Amended Constitution and By-Laws of the Tribe, ratified by the Tribe June 27, 1958 and approved by the Secretary of the Interior on May 29, 1958, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984).

Acting Chairman of the Tribal Council

Secretary of the Tribal Council
